# Fall Education

Oregon Convention Center

Monday, October 14 | Meeting Rm. C-124 | 2:00 - 5:00 pm

## Improve Your Teaching Using the Golfing Machine and Technology

Doug DuChateau

In this modern era of golf instruction with all its tools and technologies, we as instructors have better diagnostic information than ever. The Golfing Machine represents a unique perspective through which to interpret this information and establish clear priorities for our students. We will discuss the influence of The Golfing Machine in instructional history, some of its great practitioners and players, and share ideas through which your teaching can become more efficient, systematic and effective.

3 PGA Required MSR credits / 1 AMP education credit | Dress: golf attire | Cost: \$35

Wednesday, October 16 | Meeting Rm. C-124 | 2:00 - 6:00 pm
