

**PNW PGA RULES HELP LINE**

It's back! This group enjoyed helping you in the past and we all learned more about the Rules from your calls.

If you have a Rules situation at your course and need help, feel free to give the professionals below a call. They are all knowledgeable rules types and will help if they can or refer you to someone else if they are not confident in their interpretation.

You will notice both club and home numbers are listed for some. A couple of requests when calling someone at home: 1) please be kind to their families; and 2) your 11:00 pm emergency can wait until morning.

Keep in mind the USGA is the ultimate authority on the Rules and we may refer you to them. If you are stumped, so may be our committee. Also, please remember, this group is assisting you, and not a source of general rules information for your members.

	<b>Shop</b>	<b>Home/Cell</b>
<b>Molly Cooper</b> PNW PGA	(800) 688-4653	(360) 870-7004
