GOLF

Whether playing Cholla or Saguaro, golfers are treated to an Arizona desert golf experience unlike any other at We-Ko-Pa Golf Club.

The Cholla course offers a dramatic test of golf that plays through shady arroyos, over desert ridges and amid picturesque Sonoran Desert.

Named after Arizona's iconic cactus, the Saguaro course combines distinctive desert-golf traits with the timeless traditions of golf course design.

RESORT

Enjoy four nights of accommodation with amenities including a heated resort pool, a full-service spa, exclusive access to the We-Ko-Pa Golf Club and a full casino with various games and activities. Also located within the hotel are a variety of scrumptious restaurants, including the savory Ahnala Mesquite Room.
