PLAYER DEVELOPMENT BEST PRACTICE REPORT

Name:	Sheena Prante
Phone/Email:	360 888 3761 sheenaprante@hotmail.com

Facility Name:	Salish Cliffs Golf Club
Location:	Shelton, WA
Property Type:	Public Resort
Name of Program:	Squaxin Island Tribal Youth Program
Type of Program:	Junior Program
Dates of Program:	Summer sessions
Details of Program:	We worked with our Squaxin Island Tribal Youth intermittently throughout the summer – this year was not as often as we usually do, with Covid-19 restrictions in place but we typically have 2-3 sessions with our youth each Spring/Summer
Results of Program:	We had steady participation numbers from our youth and those records and results are kept with our Parks and Recreation Department on the reservation. We have also acquired a tribal junior who is taking private lessons at the course now!
Total Revenue Generated:	Lesson revenue generated would be the \$240.00 for the five lesson series that Jazzy is wanting to do once her free voucher lesson expires
Recommendations:	Keep working on the program and encouraging the kids participation and working to expose them to the game. We will be up at the reservation at the community center hopefully more in the coming year when Covid restrictions hopefully ease. It is our goal to increase participation numbers each session and grow this program to something amazing for years to come!
