22. DISCIPLINARY ACTION

Each PGA of America Member or Associate Participant ("Participant") in a Section golf tournament acknowledges the right and authority of the Section to (i) fine and suspend from tournament play; and/or to (ii) fine and permanently bar the Participant from Section tournaments. Any Participant in a Section event hereby releases the PGA of America Section, the PGA of America, the PGA Tournament Corporation, Inc., rules officials, each director, officer, member, employee, agent or representative of any of the foregoing jointly and severally, individually and in their official capacity, of and from any and all claims, demands, damages and causes of action whatsoever, in law or equity, arising out of or in connection with any such decision or action by the Section, PGA of America or any appellate body.

Fines are due and payable within thirty (30) days unless the Participant has made a written appeal. Should the appeal be denied, the fine will be due and payable within thirty (30) days of such denial of appeal; and the Participant will be ineligible to participate in any Section tournament and any other PGA of America tournaments and the tournaments of any other PGA Section until said fine is paid in full.

A. Advance Notification of Proposed Disciplinary Action

Except for penalties under the Rules of Golf and for "Minor Penalties" (as hereafter defined), any Participant subject to disciplinary action or penalty defined as a "Major Penalty" shall first be notified of such proposed action in writing. Such notice may be presented to the Participant by a tournament official. Within thirty (30) days from the receipt of the notice, the Participant shall submit to the Section Tournament Director or the CEO such facts or evidence of mitigating circumstances as may apply. Within thirty (30) days of receipt of such information from the Participant, the Section Tournament Director or the CEO shall notify the Participant in writing of the imposition of the proposed disciplinary action or penalty, or that the proposed action has been dismissed. After the imposition of any penalty hereunder, the Participant shall have the right to appeal to the Section Board of Inquiry as set forth in Section E herein.

B. Rules of Golf

Any Participant in a Section tournament who breaches the Rules of Golf of the United States Golf Association or Local Rules in effect for the conduct of such event shall be subject to the penalties provided in such Rules as well as any other penalties imposed by the Section consistent with this policy. The decision of the Section Rules Officials/ and/or the Section Tournament Committee with respect to such Rules breach shall be final and conclusive.

C. Conduct Unbecoming a Professional

Any Participant deemed guilty of conduct unbecoming a professional while participating in a Section tournament or in activities related thereto (e.g. practice rounds, hospitality events, etc.) shall be subject to fine, suspension and/or permanent disbarment from Section tournament play as provided in this policy. A fine of \$100 shall be levied for the first offense. A fine of \$150 shall be levied for the second offense, and a prohibition from participating in Section events for one year shall be levied for the third offense. Any Participant that is found guilty of more than three offenses for conduct unbecoming a professional charge may, at the sole discretion of the Section, be permanently prohibited from participating in all Section and PGA of America tournaments and also may be subject to PGA of America Code of Ethics charges. Notwithstanding the foregoing, the Section reserves the right to pursue Code of Ethics charges against any PGA Member/Associate for conduct charges related to the conduct of any Participant at Section golf tournaments and related events at the sole discretion of the Section in compliance with the procedures for Code of Ethics hearings as set forth in this Article II of the Bylaws.

D. Classes of Penalties for Section Tournament Offenses**1. MINOR PENALTIES.**

A Minor Penalty is a fine of not more than \$150 and/or suspension from tournament play for two or less tournaments. A Minor Penalty may be imposed by the Section tournament officials responsible for the conduct of the tournament.

2. MAJOR PENALTIES.

A Major Penalty is a fine in excess of \$150, suspension from tournament play for more than three tournaments, and/or permanent disbarment from Section tournament play.

E. Appeals

1. MINOR PENALTIES.

Appeals from Minor Penalties shall be to the Tournament Committee Chairperson (or his/her designee). Such appeal may be in writing or oral. Such appeal shall be received by the Tournament Committee Chair no later than thirty (30) days subsequent to the infraction. The Tournament Committee Chair shall render the decision on appeal in writing within thirty (30) days of the receipt of the appeal and submit a final report to the CEO. The CEO shall submit this final report to the Association General Counsel. Such decision shall be final. Notwithstanding the foregoing, in the event that the Section determines that it would prefer that a Minor Penalty shall be submitted to the Board of Control for a hearing in lieu of action by the Section, then the Section Board of Inquiry will follow the same procedures set forth herein for all matters submitted to the Board of Control for Code of Ethics procedures.

2. MAJOR PENALTIES.

Within thirty days from the date of notification of a Major Penalty, the Participant may submit a written appeal to the Section Board of Inquiry. Failure to file such an appeal shall be deemed conclusively to be an admission of the charges specified in the notification.

Thereafter, the Section Board of Inquiry will prepare a report of the matter to the Board of Control and the matter will be set for a hearing before the Board of Control in accordance with all applicable procedures set forth herein for ethics appeals heard by the Board of Control. The Board of Control shall hear the appeal either at the next regularly scheduled Board of Control hearing or at an expedited meeting that may be held in person or via conference call at the discretion of the Chair of the Board of Control. The decision of the Board of Control shall be final. An appeal shall operate to stay the effective date of any penalty, except suspension from a Section tournament then in progress or scheduled for the calendar week in which the alleged violation occurred, until after a final decision on the appeal.

All fines must be paid within thirty (30) days from the imposition of the fine, or in the event of an appeal, within (30) days from the decision rendered by the Board of Control in the event the Board of Control upholds the findings of the Tournament Committee Chair.

23. TOURNAMENT RULES

- a) All Section events will be staged under the current Rules of Golf as defined by the United States Golf Association except as may be modified by local rules.
- b) The PNW PGA Section shall, yearly, produce a supplemental rules card for all Section events. This rules card will be used by players in conjunction with USGA and local rules. These cards will be made available for all participants at all events.
- c) Rules of Golf decisions will be handled by the rules officials and section staff on site and their decision shall be final. The USGA will be consulted by these individuals when they feel it is appropriate. Appeals to the Tournament Committee or Board of Directors are not available.

24. TOURNAMENT EQUIPMENT

- a) Section office shall provide each championship site with a minimum of four indoor-outdoor clocks of sufficient size as to be read easily by participants. These clocks shall be placed on all practice putting greens, practice range, starting tees and in other locations that may be deemed appropriate.
- b) The Section office will provide each championship site with a number of two-way radios that are deemed to be appropriate for the event.

25. TOURNAMENT PROPER DEADLINE-(For events requiring qualifying)

- a) Entry deadline will fall on Wednesday, at 5 p.m., at least three weeks prior to first pro-amateur day and the number of qualifying spots, if any, will be set. Qualifying sites will be set by Chapters at first of each year. Qualifying dates will be the week (Monday-Friday) immediately preceding the event. This allows Section office time to pair qualifying field and to inform participants.
- b) Tournament proper pairings will be made no later than the Saturday immediately preceding the tournament pro-amateur.
- c) Late professional entries will be accepted and placed at the end of the alternate list. A late fee of \$50.00 will be charged for these entries. Players wishing to pursue this route will be assigned an alternate spot when the late fee is received. The maximum number of amateurs in the event will be calculated at the close of entries. Professionals may replace amateur cancellations up to the 136 player limit.

26. SPECIAL CONDITIONS

- a) Cell Phone Regulation: Cell phones may be used to request the assistance of a rules official, for on-course medical emergencies, and to check online leader boards provided by the Section. This regulation does not apply to amateurs in sponsor pro-ams or destination pro-ams. Limited use by professionals in sponsor pro-ams and destination pro-ams is allowed.

Participants are expected to use their cell phones to participate in live scoring as a Condition of Competition.

You may not use your cell phone, pager, personal email device or similar devices during a stipulated round. Such devices must be off or in silent mode and must stay out of sight. Any incoming audible ring or vibration call is a breach of this regulation. A player will be fined for violations of this policy – First Violation - \$100; Second Violation - \$250; Subsequent Violations - \$250 and possible disciplinary action. The player is responsible for a breach by his caddie.

- b) Distance Measuring Devices: A player may obtain distance information by using a hand-held device that measures distance only. However, if, during a stipulated round, a player uses a distance-measuring device that is designed to gauge or measure other

conditions that might affect his play (e.g. gradient,, wind-speed, temperature, etc), the player is in breach of Rule 14-3, for which the penalty is disqualification, regardless of whether any such additional functions are actually used.

Time spent determining yardage will count as time taken for the next stroke – including time to retrieve a shared device.

The Committee may adopt an additional Local Rule at individual competitions to allow golf cart mounted systems.

PACIFIC NORTHWEST SECTION PGA of AMERICA PACE of PLAY REGULATION

As a condition of the competition, players are subject to being timed at any point during their round. When in-position, players are allowed 40 seconds to complete each stroke. *If the group is out-of-position, the time is reduced to 30 seconds.* In either position, players are allowed an additional 10 seconds for: (i) the first player to play a stroke on a par 3, (ii) the first player to play a second stroke on a par 4 or par 5 when attempting to reach the putting green, (iii) the first player to play a third stroke on a par 5, or (iv) the first player to play on or around the putting green. Timing will begin when it is clearly the players' turn to play.

- **OUT-OF-POSITION DEFINED** - *A group is out-of-position if it fails to:* 1) complete the hole preceding a par 3 before the hole ahead is completed; 2) clear the teeing ground of a par 4 before the preceding group completes the hole; or 3) arrive at the teeing ground of a par 5 before the preceding group has reached the putting green. A group is out-of-position anytime they fail to maintain this spacing. Note: The lead group, and subsequent groups, are in-position when their elapsed time is under the applicable time par.
- **IN-POSITION** - Groups in-position will be timed on request. If a player in a group is concerned about the pace of one of his fellow-competitors he may request to have the group timed. A group may also be timed if a player or players in the group repeatedly violate the per stroke time limits set forth above. Groups will be notified they are being timed and timing will continue at the discretion of the official to insure all players maintain a proper pace of play.
- **OUT-OF-POSITION** - Groups out-of-position will be notified by an official that they are out-of-position and on the 30-second clock. Timing will continue until the group is back in-position.
- **UNDUE DELAY** - In addition to this condition, Rule 5.6 may be applied immediately in specific circumstances.
- **TIME PAR** - A standard pace of 14 minutes per hole will be expected unless a "Time Par" is established and published for a particular event/golf course.

FINES AND PENALTIES

Each Stipulated Round- First bad time - \$50 fine*; second bad time – an additional \$50 and two strokes; third bad time- \$100 and two strokes; fourth bad time - disqualification. Players will be notified of a bad time as soon as possible.

** A player incurring a single bad time during the course of an event will have the \$50 fine waived.*

A pace of play report will be distributed with the tournament results and include a list of all players fined and penalized.

PACIFIC NORTHWEST SECTION PGA of AMERICA CADDIE REGULATION

Caddies are an important part of the game of golf, and participants in Pacific Northwest Section tournaments are encouraged to utilize their services. However, since caddies are a part of our tournament, they reflect directly on the image and reputation of the Pacific Northwest Section. Therefore, caddies are subject to the following regulations:

1. Caddies are subject to the host club dress code for **golfers**. Shorts, jeans, etc. are only permissible so long as they comply with host club regulations. It is the responsibility of the player to ensure his caddie is appropriately attired. Caddies employed by the host club will be subject to the club imposed dress code. If provided, caddies shall wear bibs or uniforms as directed by the Tournament Director.
2. Caddies should wear smooth rubber-soled shoes. Individuals wearing spikes, including “soft-spikes”, or other shoes that may effect the putting surface shall stay off the putting greens at all times.
3. Caddies shall not walk on greens while pacing the golf course and shall not interfere with play during practice, pro-am, or tournament rounds.
4. Caddies are the responsibility of the player. The player will ensure their caddies compliance with these regulations, host club policies, and be responsible for any financial commitments.
5. Courtesies extended to caddies by the host club and sponsor may vary by tournament and the player should enquire with the host club before making any assumptions. The Tournament Director will be responsible for determining such policies at individual sites.
6. Occasionally, caddies may be able to attend player banquets that follow play. In such cases, players will be expected to pay the Section for their caddies’ meals.
7. The Tournament Director is responsible for interpreting and enforcing these regulations and levying appropriate fines for non-compliance.
